

AMIRAN COMMUNICATIONS

5th June 2014

To whom it may concern,

It is my pleasure to recommend Cyprian Ndivo, his performance working as an intern in the Logistics department for Amiran Communications Ltd proved that he will be a valuable addition to any company.

Cyprian was with us for a period of 7 months. He was majorly responsible for Order processing, Import and Export documentation and he from time to time assisted in the Stores Department making sure that the ordering and issuing of products process ran smoothly.

If his performance in our company is a good indication of how he would perform in yours, he would be an extremely positive asset to your company

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,
Amiran Communications Ltd

Harrison Kibet
